

## RE-ENTRY TRAINING

This workshop will train staff members how to carry out a successful re-entry program. You will be given the necessary tools to form a prison re-entry program that will assist ex-offenders with transitioning back into society and the workforce. Ex-offenders will need a lot of guidance and support, along with caring individuals to help them successfully transition.

We will cover the following topics:

1. Launching a Re-entry Program
2. Designing an Effective Program Structure
3. Forming Successful Partnerships
4. Recruiting Clients and Volunteers
5. Crafting Intensive Care Management
6. Removing Barriers to Employment through Supportive Services
7. Implementing Effectual Employment Preparation
8. Job Placement
9. Mentoring Adult Ex-Prisoners
10. Monitoring Program Success
